Discussion re: cost and what to do if the budget fails. The approximate cost is about \$2500 per person. Tutela stated as long as the budget passes he has no problem with this cost for training. Kubiel stated with all the negative press, he is unsure about the budget passing and wants to be prepared if this does fail.

Attorney Donahue suggested making a motion to approve on the condition if the budget fails and this is cut that it will be taken out of fire academy budget for the four individuals.

Motion Willson second Minkler to approve the above resolution on the condition if the budget fails it will still be taken out of the fire academy budget.

<u>PARTICIPATION BY THE PUBLIC</u>- Sam Seaman thanked the board for the approval on the FDIC. Two additional firefighters are going on their own with the cost on them. Launched today in Power DMS annual Haz-com and bloodbourne pathogens.

Andy Goresh stated kudos to Supervisor Weinberger for an outstanding job on the radio project. He recommended doing a press release re: this project with all the positive aspects specifically why the radios are encrypted. Krohn suggested a general release to the public stating the districts are willing to work with everyone. Kubiel stated all non- disclosures agreements have been sent out to all our surrounding areas.

Janora stated there is a lot of bad press out there and the more the people feed into it the more exaggerated it becomes. A letter that was signed by the fire officers months ago opposing the encryption hit the airways and it hurts the fire service as a whole.

Krohn reiterated the importance of letting the public know that Toms River Fire Districts are willing to work with all entities as it relates to calls.

Janora suggested using a media outlet not through social media to get our message across that all mutual aid companies will be part of our radio system.

Discussion followed.

Kubiel stated he will get together with Administrator Caron, Supervisor Weinberger and Chief Janora to come up with a press release.

Motion Roman second Krohn to go in Private Executive Session at 6:15 p.m.

Fire Bureau Report Joint Board of Fire Commissioners Meeting 01/15/2025

1. Division of Fire Safety LEA Annual Report

a. We are working on finalizing the Annual Local Enforcement Agency report to be submitted to the New Jersey Division of Fire Safety. This report highlights our agency's activities and compliance efforts over the past year, including inspections of LHU's and Non-LHU's, Permits, smokes, enforcement actions and all revenue collection. This report is required to be submitted by January 31st. The annual report serves to ensure transparency and alignment with state requirements. Submission of this document requires a sign off by Administrator Kubiel prior to the final submission.

2. Digital File Storage

a. Our Digital File Conversion and Storage Project to update and streamline our records management system has taken a large step forward. Office staff and inspectors work together to organize all paper files, categorizing them into inspection, fire report, and site plan files. These files were then securely boxed and prepared for digitization by our vendor. Once scanning is completed, we will ensure all records are easily accessible in a digital format creating increasing efficiency while preserving critical information and aligning with modern record-keeping practices. This process is expected to take 3-4 months before the documents are returned to us.

3. Fire Safety Commission and Fire Treat Taskforce

a. I will continue attending the New Jersey Fire Safety Commission meetings and the New Jersey Fire Threat Task Force meetings throughout the year. These meetings are held bi-monthly and provide valuable opportunities to engage with state-level fire safety initiatives and share local concerns to advance our goals. The Fire Safety Commission meetings will rotate locations, while the Fire Threat Task Force meetings will be held at the Middlesex County Fire Academy. The schedules for these meetings have been distributed, and I look forward to continuing to represent Toms River in discussions on critical issues affecting fire safety and emergency preparedness across New Jersey.

4. Fire Safety Fridays

- a. Our Fire Safety Friday's social media campaign is ongoing and has already shown great success. The more views we receive, the more impactful it will be. Please like and share our posts to help spread the word.
 - i. December Posts 6th Holiday Lighting, 13th Fire Place Safety, 20th Lithium Ion Batteries, 27th Hanukkah.

5. Community Medical Center - HVA

a. I have been invited by Community Medical Center (CMC) to participate in their annual Hazard and Vulnerability Assessment (HVA) on January 22nd. This exercise evaluates potential risks and vulnerabilities to ensure the hospital's preparedness and resilience in handling emergencies. Our involvement will help strengthen collaboration between the Bureau and CMC, supporting our efforts to enhance safety and emergency response capabilities for the hospital. I look forward to

contributing to this process and supporting CMC's commitment to preparedness and public safety.

6. Updated COA from FAA

a. Updated Certificate of Authorization (COA) dated January 7, 2025 was issued for the Fire Bureau drone by the FAA. Inspector Carlin has dedicated several weeks to securing this update, which includes significant enhancements to our operational abilities. The update expands our operational area and includes waivers for tactical beyond line-of-sight operations, operations over people during emergencies, and night operations. While the majority of the COA remains consistent with the original, these new provisions will greatly increase our flexibility and ability to accommodate flight requests for emergency operations in and around Toms River.

7. Appointment to the Codes Advisory Counsel

a. I am honored to share that I have been selected for appointment to the New Jersey Fire Codes Advisory Council, a subcommittee of the New Jersey Fire Safety Commission. Commissioner Londenski confirmed this in an email on January 3rd. This marks the second advisory committee where Toms River will have representation within the Fire Safety Commission, further strengthening our voice in shaping statewide fire safety policies. I am proud to represent Toms River and look forward to contributing to the development and improvement of New Jersey's fire codes and safety standards.

Re: Training Center Report for December 12, 2024 thru January 15, 2025

- 1. Happy New Year.
- 2. A Very Special Recognition to Catherine Bruschetta, Dawn Halliwell, Monica Bisceglie and Brandi Mulholland. Pleas acknowledge their dedication to the complete support of the FTC and the operations that promote to the Safety and Health and General Well Being of our firefighters and the people we serve.
- 3. The Firefighter Recruit Class 1-2025 began on January 5, 2025 with the Orientation.
- 4. Fire Police schedule has been scheduled and enrolling.
- 5. Rapid Intervention Crew Instructor Guidelines have been issued and distributed to All Fire Instructors. 3 will be selected.
- 6. NJDFS / KEAN Fire Officer 1 will be scheduled in January and February 2025
- 7. NJDFS Fire Inspector is being scheduled by Doug Foley.
- 8. Fire Instructor 2 and Drill Ground Instructor will be scheduled in February or March.
- 9. A Full course program and catalog is being updated.
- 10. 10 new HP Chromebooks were delivered to upgrade the computer assisted learning programs.
- 11. Uniforms have been approved for 15 instructors. Fitting and alterations are ongoing.
- 12. The instructor conference was held at the FTC in January 6, 2025.
- 13. Atlantic IT has completed the Remote Learning System. Fine tuning of programs and app updates and upgrades are ongoing with Bob Garrison, Heng Chin and the FTC Staff.
- 14. 20 new Portable radios have undergone required updates, and are functioning well..
- 15. The NJDFS initiative to standardize Candidate Physical Ability Testing/
 Evaluation is moving fast. The TRFTC's current "CPAT" course and policy is very similar to the proposals. The NJ CSC Physical Performance Test as outlined in the N FF Physical Fitness Manual seems to be the standard they may adopt. The TRFTC has now the materials and instructors to support the NJ PPT program. This program would be advertised to all state residents for a fee, as we would provide an orientation to that entrance examination standard. During that pilot program, we will evaluate any changes that would best fit modernizing and standardizing the TR CPAT.
- 16. The District 1 apparatus 2705 has been relocated to the Station 30 Sub-Station and is now 3055.

- 17. The NJDFS and KEAN has delivered at the TR FTC, 8 fall classes in an ongoing cooperative to enhance the safety and health of the NJ Fire Service.
- 18. All burn rooms are operating well.
- 19. Fire Academy Engine 1 is operating well.
- 20. The propane vapor delivery system is operating normally.
- 21. Video and Surveillance System is installed and fully functional to enhance safety and security on the FA and surrounding grounds.
- 22. Lock Down systems are operational.
- 23. Doug Foley continues to liaison and assist the NJ DFS and KEAN University in the review and development of code updates in the NJ UFC. It should be noted that all correspondence, which include course delivery and completion forms, all training requests, all certificate research, final examination security and delivery functions, and the KEAN /DFS site test monitor responsibilities are assigned to Doug Foley.
- 24. Many vendors have contracted with the FTC to deliver their programs, such as J Harris, JA Montgomery, and Fire Officer Training Academy.
- 25. The Toms River Police continue to use the facility.
- 26. Toms River Public Works, Ocean County Fire Working Groups, and NJ State Forest Fire Service, Ocean Co Chiefs Association continue to use the facility.
- 27. Several NJ DFS special operations groups routinely meet at the FTC for regional coordination.
- 28. 21 Plus which is a Special Needs Group Home advocacy group, which is developing a First Responder Interface Program. This class will provide an awareness and tips on how to identify and manage a special needs environment.
- 29. RWJ Barnabas and the Toms River BOE hosted a Community Resource Assessment Workshop to identify and promote Social Development Programs to assist local students and their families.
- 30. RMJ Barnabas will host the "Mental Health First Aid "to assist teacher and youth educational mentors, (such as fire instructors with JR FF Program) on May 1, 2024.
- 31. The Fire Training Center, Fire Prevention and the Fire Official, in another cooperative effort, completed our meeting with Johnson Controls. JC Technicians will now develop a system for use on site.
- 32. The FTC Log Book, which is a ledger of daily activities, has been introduced. The inception was on January 1, 2024, it is for review, upon request, by the commissioners and BA's.

Respectfully Submitted, Richard D Garman
