June 2026 Report for Station 25

- (1) Transfer back to Active Membership: Craig Ambrosio
- (1) Transfer from Active to Inactive Membership: Robert Alston
- (1) New Applicant to start the process: Zachary Mayer
- (1) Removal due to not passing testing: Leo VanSant
- (1) Removal from the process: Jeffrey Huntley
- Still waiting for a decision for Samantha Harter from her application from last year for Fire Police.
- Thank the Board for the delivery for our new 2500 vehicle.

• **Station Progress**

- This past Friday night the downtown night out events started. I have crews in station for this and we have already supported by assisting with a EMS call by responding over to triage the incident prior to a ambulance showing up.
- Generators for both stations – Downtown generator – Unfortunately as reported earlier in the year this process was started with the previous administration with no input on our side. With that being said luckily we had the opportunity to meet with GenServ and thank you for that, they asked about moving the generator outside, which on our part would be a great opportunity to utilize that minimal room we have in the downtown station for supplies, gear, etc. I have already spoken to our neighbors in the easement of the alley way and they have no issues with it. We are asking for your support in this project of relocating it outside. Remember I have already secured the donation from ServPro to fully decontaminate and deep clean both rooms in the stations once the generators have been removed.
